- Engine safety shutdown protection
- 4x manual wind down stabiliser legs for added stability & safety
- Long range fuel tank
- Up to 70,000hrs LED lamp life
- No bulbs to replace on LED Lamps and they are protected by a polycarbonate lens (no glass)
- Forklift pockets and lifting points for easy manoeuvrability
- Road ready trailer

PR LED ECO LIGHT MOBILE LIGHTING TOWER

The PR Power range of mobile lighting towers are designed and manufactured with a high level of precision and quality and with the end user in mind.

The PR LED ECO Light, produces maximum light visibility and performance for continuous night work, in a wide range of applications including events, rental, construction, industrial and civil works.

The PR LED ECO Light provides up to 75% fuel savings compared with traditional Lighting towers, as a result of the high efficiency LED Lamps.

A central control point has also been incorporated for added operator safety and convenience. Adjustable towbar, central lifting point and forklift pockets make the unit easy to transport to site.

Parts and technical support for the PR LED ECO Light is available Australia wide.

In addition to the PR LED ECO Light, PR Power also provide a range of lighting tower configurations for sale or hire in applications, such as construction, civil works, events and roadworks.

For more information on our range of mobile lighting towers and other equipment contact our office today on **1300 399 499** or visit our website at **www.prpower.com**.

TECHNICAL DATA

SPECIFICATIONS			
Light output	4 x 150w LED		
Type of light	LED		
Maximum mast height	9m		
Mast lifting system	Hydraulic		
Mast rotation	340°		
Colour	White		
Auto Start/Stop Lighting System	PR Auto Controller Optional		
ENGINE			
Engine	Kohler KD350S Diesel Engine		
Fuel tank	140 litres		
Operating hours	Up to 300hrs		
TRAILER/CHASSIS			
Trailer	<ul style="list-style-type: none"> ▪ Single axle, heavy duty ▪ Adjustable towbar ▪ Handbrake ▪ Break away brake cable ▪ Road ready 		
Certified wind stability	80km/h		
Stabilisers	4x Wind down stabiliser legs		
Dimensions (Mast fully retracted)	TBC		
Dry weight	TBC		
GENSET SPECIFICATIONS			
kW	Hz	V	rpm
5	50	240	3000
