

EMERGENCY POWER SOLUTIONS
SAVING YOU \$\$\$\$

PRPOWER

Do you experience power outages?
**Does it cause you unnecessary
downtime, loss of revenue and
product loss?**

*At PR Power we supply back-up
generators that will make
this problem a thing
of the past...*

Our Olympian range of diesel powered generators ranging from 11 to 550kVA will ensure your business will continue to operate with minimal interruption when a power outage occurs, saving you \$\$\$ in lost revenue, downtime and damaged product replacement.

Whether you purchase or lease the generator yourself or as part of a consortium of business owners sharing the costs and benefits of the generator installation, we'll work with you to ensure the best outcome for you and your business.

Backed by the Caterpillar network Australia wide.
