- Safe and reliable unit
- Non-flammable
- Safety system switch turns off the power if internal pressure is reduced

SIROCCO 2x 1000w BALLOON

PR Power are the authorised Australian distributor for the range of Airstar Lighting Balloons.

Airstar lights are diffused, glare free and illuminate a 360° area.

The Sirocco 2x1000w halogen lighting balloon has been designed to offer an easy and efficient lighting solution. This is the simplest and most versatile of the Sirocco range of lighting balloons.

In addition to the Sirocco 2x1000w, PR Power also provide a range of other lighting balloons and mobile lighting towers for sale or hire in applications, such as mining, agriculture, construction and events.

For more information on our range of mobile lighting towers and other equipment contact our office today on **1300 399 499** or visit our website at **www.prpower.com**.
